Everyone Plays: Provide opportunities to learn skills and improve conditioning by minimizing roster sizes and ensuring players play at least half of every game. **Balanced Teams:** Build teams that are evenly balanced on age and experience. **Positive Coaching:** Train and encourage coaches to help develop a child's sense of self-worth.

Sportsmanship: Create a safe, fair, fun and positive environment based on mutual respect.

VOLUNTEER YOUTH SPORTS COACHES

Mecklenburg County Park and Recreation Department Youth Sports Leagues rely heavily on the support of volunteer coaches. Anyone who may be interested in volunteering as a head or assistant coach should contact their preferred recreation center to begin the application process. Any parent choosing to be a volunteer head coach will receive 1 fee waiver at the time of registration (limit 1) for any family member participating. All coaches will undergo a background screening process.

Teams may not be formed without a designated head coach.

FREQUENTLY ASKED QUESTIONS

How are leagues organized? Leagues are organized based on the number of teams registered within an age division in a region (North, Central, & South). Teams from each of the centers in a region will play together for the regular season. Co-ed league teams are required to participate in a pre-season tournament (ages 9-14), which will determine playing sites and dictate league development. The girl's division will play an eight-week regular season. Recreation centers that do not have sufficient registration to form teams will contact parents and participants offering to relocate them to the nearest center with viable registration numbers.

When and where will my child practice? The coaches will contact all parents regarding practice days and times. The time and weekday will be chosen by the volunteer coach assigned to your child's team and your recreation center. Due to coaches volunteering their time to help the children of our community, we like to accommodate their needs and work with their schedules and availability. Practices are typically held on weekday afternoons/evenings, typically at the site or center at which you registered to participate with.

When and where are games played? Games are typically played on Saturdays and will consistently occur at a selected age and skill appropriate facility within the recreation region in which you have registered; however, due to growing participation numbers additional game days may be needed. Participants ages 5-6 may play on Friday evenings and Saturday's. The girl's division will play games at Tom Sykes Recreation Center. Game schedules will be distributed once registration has completed and practices are underway.

Can I make requests? Any and all requests should be presented directly to Recreation Center staff at time of registration so that they may try and coordinate them properly. Requests are welcome but not guaranteed.
